OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 30 August 1972

1. [] In response to her call I gave Helen Mattas, House Foreign Affairs Committee staff, the information needed for the Committee monthly summary of hearings concerning time of starting and finishing, persons present, etc., relating to the Director's briefing of 27 July 1972. This transcript is in single copy and is held by the Agency for safekeeping.

2. [] Robert Blum, Senate Foreign Relations Committee staff, visited Headquarters and met with [] [] OSS files of activities in Indochina immediately following World War II were made available for his survey. Mr. Blum found the files more voluminous than anticipated but in his terms meaningful as original source documentation. Arrangements were made to allow more detailed review as time from other Committee assignments will allow. He anticipated it may well be a week or more before he can begin any comprehensive review of the files.
